

QUIK-SHIELD®

YETI XL

AN ALL SEASONS BEAST.

NOW WITH 10% MORE YIELD.

MONSTER RESULTS, UNLEASHED.

Overview

There has never been a monster like **YETI XL**. The next evolution of the the YETI—this spray foam boasts a reduced density of 1.8 pcf, delivering up to 5,500 board feet per set. That means there's a 10% yield boost without compromising the cold-blooded performance pros rely on.

YETI XL covers more ground, cuts machine tweaks, and sprays clean every time. Everything that makes YETI a jobsite staple, engineered to go even further. XL packs an R-value of 7.5 per inch and an ultra-low GWP, exceeding the industry's highest sustainability standards while sealing strong in any climate, all year long.

The yield is massive. The edge is yours.
